### **Current Report No.: 53/2022\_correction**

**Date: November 18th 2022**

**Time: 10.28 am**

The Management Board of MERCOR S.A. hereby publishes a correction of Current Report No. 53/2022 released on November 10th 2022.

Due to a manifest clerical error, the original Current Report No. 53/2022 contained misstated names of the months in which new orders were received. The body of the report should have referred to the same months as those stated in the title.

Accordingly, the body of the report should read as follows:

“The Management Board of MERCOR S.A. reports that the value of new orders received by the Mercor Group in October 2022 was about PLN 45.6m, compared with PLN 41.6m in the same period last year, an increase of 10%.

In the period from May to October 2022, the Group secured new orders worth about PLN 297.9m, compared with PLN 263.6m in the same period a year earlier, an increase of 13%.”
